

## Triumphant Deerings Lead the Way . . .

# DEERING,

Binders, Mowers and Reapers had Roller and Ball Bearings five years before they were adopted by others. They will always lead the procession as they have in the past.

### DEERING IDEAL BINDER.

**Deering Improved Steel Binder** The lightest draft Binders on earth. They contain more real improvements than any other machines made and are right up to date in every respect.

**Deering Ideal Mower** with Roller and Ball Bearings, serrated ledger plates, adjustable drag bar and shear cutting knives. The only mower that can be drawn at a slow walk or started in any crop without backing the team.

**Deering Hay Rakes** are as much in advance of other machines as are Deering Binders, Mowers and Reapers.

Just Received a car load of Deering machinery and twine which we will sell at rock bottom prices. Farmers should see our stock before buying.

### HAWESVILLE.

Newsy Clippings From the Hancock Clarion.

Ed Radford, better known as Ed Hamilton, who many years ago lived near Skillman, had a leg cut off by a train at Belleville, Ill., last week.

While looking through some old papers Wednesday Judge Taber found \$250 in old paper money. It consisted of a \$2 bill made in 1866 and two 25¢ "shin-plasters."

Mrs. Sarah Larkin aged 84, died early Saturday morning at the home of her son, James E. Larkin, about three miles from town. The interment was at the McGavock grave-yard Sunday afternoon and the funeral services were performed by Rev. C. Bray, of Cloverport.

The county authorities have placed a large iron trough on the public square near the old well and all tired horses can drink to their content. The water is furnished by the water-works from a plug in the bottom of the trough, and is kept constantly running out.

Mr. A. W. Moorman, a thriving young farmer of Brandenburg, was in town on Thursday. He is one of our old friends and was at one time prominent at the Meade and Breckenridge county fairs. He informs us that he has one field of 200 acres which has been in corn without interruption for seventy years.

Do they not deserve a white mark?—A. R. Fisher, Cloverport; R. A. Shellman, Stephensport; Gordon & Haynes Patesville; E. A. Witt, Hardinsburg.

### COULDN'T FIND IT OUT.

Tobacco Report to Be Very Scarce in the Country.

A prominent handler in reply to a Post reporter, about the present tobacco situation, replied, "I drove nearly 200 miles Friday and Saturday through the counties of Scott, Fayette and Woodford, looking for 60,000 pounds of choice tobacco, and while I saw only one lot which I liked, that was priced a little too high. There is simply no tobacco left in the country. I do not believe there is more than 25 per cent on hand, as compared with this time last year. Farmers are looking for high prices, and when the week grades up I think it will fetch the best prices of the year, within the next month."

"The coming crop will be large, and if the season is favorable, we will have a boom in tobacco that will astonish some people."

S. M. (teary, Pierson, Mich., writes:—"DeWitt's Witch Hazel Salve is curing more piles here to-day than all other remedies combined. It cures eczema and all other skin diseases."—Short & Haynes

### IT MAY BE MURDER.

A Fourteen Year-Old Boy Stabs a Companion Over the Heart.

At Beaver Dam, Ohio county Thursday afternoon Willie Stephens, a boy of fourteen, stabbed Clyde Raley in the left breast, inflicting a wound from which he will probably die. The boys, along with several others, had been fishing, and they had been teasing the Raley boy. On the road home he told them he would not stand this longer, and stopped. The Stephens boy drew his knife and Raley dared him to touch him with it. Stephens then plunged it into him, making a cut two inches long, and reaching to the left lung. The boy fell and left a pool of blood in the road. The physician who attended him said the wound was a dangerous one, and would probably cause death from internal hemorrhage.

### A Word to Physicians.

Do you know that many broad minded physicians are using Foley's Honey and Tar Syrup in their practice. They have found no remedy that gave as satisfactory results for all throat and lung complaints as this great cough medicine—A. R. Fisher, Cloverport; R. A. Shellman, Stephensport; Gordon & Haynes Patesville; E. A. Will, Hardinsburg

## Ex-Lieut. Governor STATE OF NEW YORK.

Hon. CHARLES C. MARTIN.

Syracuse, N. Y.  
One of New York's greatest statesmen and parliamentarians, 16 years a member of the Legislature and 3 times its Speaker, is now sitting in his third Constitutional Convention, 1896, 1897, 1898.  
In his beautiful old age (81) he gives attention also to his own "constitution." While sitting in the New York Legislature, as a fellow member with Dr. Penner, he wrote:  
"Hon. M. M. Penner, M. D.,  
Assembly Chamber, Albany, N. Y.,  
Dear Sir—I am greatly benefited by the use of your Blood and Liver Remedy and have no doubt for which I thank you very much."  
Again from the Constitutional Convention, Albany, June 20, 1898, he writes Dr. Penner:  
"Your kind letter of the 20th inst. came only to hand. I expect your great Remedy to further prolong my life 20 years."

### HARDIN COUNTY

Farmers Realize Good Prices for Their Wheat.

(Hillsboro, Ky. News.)  
Ben Smith sold last week a five months old Poll Durham bull calf to Mike Lydane for \$125

Mr. Alfred Kennedy has the record for the highest price received for wheat in Hardin county for more than ten years. He sold about ten days ago for \$1.40 a bushel, 269 bushels.

Mr. Powell, a traveling solicitor for the "Arm and Hammer soda company," was the "Cynosure" of our town one day of last week. He said that he was 5'4 1/2 inches tall, and weighed 140 pounds. He traveled with Barnum's circus for eight years, and Sell's Bros. for four years. He carries a watch given to him by Queen Victoria in 1889.

About all of last year's crop of wheat around here has been sold. A. G. Lewis & Co., of Glendale, made the largest shipment last week, ever made from this section of the county. They have bought and shipped to Chicago within the sixteen days, about 17,500 bushels of wheat. This shipment amounts to over 1,000 bushels per day.

A. G. Lewis & Co., of Glendale have shipped in the last two weeks 17,500 bushels of wheat to Chicago upon which they realize a handsome profit. During the high price excitement in wheat, about 30,000 bushels were shipped to Chicago from Hardin county which brought close to \$45,000. Hardin county people are always strictly in it.

### Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her that she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at Short & Haynes' Drug Store. Large bottles 50 cents and \$1.00.

### Cut Worms in Hancock.

In some portions of Hancock county the cut worms have appeared in great numbers and have destroyed all the gardens and much of the corn. It is not so late, however, that the damage will be very large, as the destroyed crop can be replanted, and will come on in time to ripen before frost.—Owensboro Inquirer.

After using the 10 cent trial size of Ely's Cream Balm you will be sure to buy the 50 cent size. Cream Balm has no equal in curing catarrh and cold in the head. Ask your druggist for it or send 10 cents to us.

ELY BROS., 56 Warren, St., N. Y. City.

I suffered from Catarrh three years; it got so bad I could not work; I used two bottles of Ely's Cream Balm and am entirely well; I would not be without it.—A. O. Clarke, 241 Shawmut Ave., Boston.

### Killing Frosts.

The Madisonville Hunter has prepared this list of killing and damaging frosts for several years past: August 28, 1863; September 17, 1868; September 27, 1869; October 31, 1870; September 30, 1871; October 11, 1872; October 7, 1873; October 12, 1874; September 20, 1875; October 7, 1876; October 15, 1877; October 12, 1879; September 26, 1880; October 20, 1881; October 21, 1886; October 15, 1887; September 29, 1888; October 17, 1891.
